Terms: Our service is to provide, in a friendly, attentive and courteous manner, chauffeur driven Rolls Royce and Daimler cars decorated in your choice of ribbons and bows to convey the Bride and escort (and if agreed Bridesmaids) to the wedding venue, wait during the service and photographs, and convey the Bride and Groom to the reception. Our prices overleaf are based on the above. Or to provide a customised service if previously agreed. The price for a custom service may vary from overleaf.

We want to help make your special day perfect.

We maintain our cars to a high standard and in the unlikely event that the car breaks down we will endeavour to provide a replacement vehicle. Our liability is limited to the total monies paid for the service.

I understand and accept the terms set out above.
